

TASC

TOTAL AIRLINE SERVICES CORP

WAD GROUP 
WEST AFRICA DIRECT

Providers of a comprehensive range of ground support services for both airline crew and passengers.

Total airline services corporation

Tasc understand the importance of everything that happens beyond the flight.

We are providers of a comprehensive range of ground support services for both airline crew and passengers.

Aircraft ground handling

From marshalling and securing aircraft, to refuelling and preparing service equipment; *from take off to touchdown.*

Ground handling crews can undertake gate parking securely and efficiently. Ramp services ensure spills and oil buildup are removed, thus avoiding crew safety hazards.

A comprehensive range of sophisticated GSE and GSE servicing supports all areas.

All ancillaries

Tasc ancillary services ensure your aircraft and airport facilities are ready to impress passengers.

Cabin appearance servicing is a key area.

Janitorial expertise encompasses ticket areas, boarding bridges, VIP lounges, and all common areas including gates, ticket areas and boarding bridges.

Aircraft exterior cleaning ensures your brand reputation - and extends paint life.

All on schedule.

Passenger handling

Airlines can concentrate on the care of their passengers while TASC take care of their baggage. Liaising between airlines, our interline baggage transfer services ensure luggage is safely transferred on time to connecting flights.

We'll ensure ticketing, check-in, document verification, baggage check, wheelchair access, charter security screening and gate and boarding procedures, meet your passengers' highest demands.

Did we mention our first-class catering expertise..?

Crew services and transportation

TASC will provide staff minibus transfer and staff hotels, ensuring they feel as pampered as their passengers.

First and business class travellers will appreciate TASC's attention to the fine details.

Passenger services

Concierge services include:

- Theatre and restaurant bookings
- Limousine service
- Arranging corporate hospitality events

Training

TASC offers online training with a focus on the aviation industry.

We provide advice and training to:
airports, airlines, cargo handling companies, freight forwarders, transport companies, aviation security providers and in-flight caterers.

Passenger services

All our courses are of a high standard and visually sophisticated, making the online experience more attractive and enjoyable for those taking part.

Importantly, it provides them with an accredited certification within that particular field.

WAD Group is the holding company for a select collective of subsidiaries which operate across various business sectors. Information on each individual company along with specific services on offer can be found by visiting wad-group.com
