

The logo features a large white 'L' and a blue 'D' with a white play button symbol inside. Below this, the word 'CARGO' is written in a large, bold, white sans-serif font, and 'BROKERAGE' is written in a smaller, white sans-serif font below it. A blue arrow points to the right at the end of 'BROKERAGE'.

WAD GROUP
WEST AFRICA DIRECT

The one stop airline services company
Supplying all your cargo and airline fulfilment services

How we will market our service

LD has a strong and excellent knowledge of routes servicing oil industry demands in Africa:

- Track record of strong growth in tonnages and revenues
- Excellent reputation for quality of service and reliability
- Experienced management and operational team
- Considerable knowledge in full charter operations and a range of specialist and demanding destinations
- Courier service
- Complete necessary documentation for all export and import products
- Developing customs pre-clearance procedures
- Warehousing and bonded facilities

We would ensure that our partners are fully updated, aware of our marketing and valued added services we are offering to our client base.

The complete service

Our services cover air, ocean, road, and rail - worldwide.

- Dedicated and experienced sales force to sell the services.
- Handling services such as documentation, warehousing, trucking etc.

We constantly research and identify potential opportunities for new and existing patterns of movement of cargo to all destinations, plus secondary destinations through interline partners.

We will instantly offer interlines with strategic partners that will result in an *increased operational effectiveness*, as well as cost savings and better service levels.

Our commitment is to continuously meet and *exceed* our customer's expectations.

WAD Group is the holding company for a select collective of subsidiaries which operate across various business sectors. Information on each individual company along with specific services on offer can be found by visiting wad-group.com
